**INTEGRATED AND COMPLETE ONE STOP
ENGINEERING SERVICES AND SOLUTIONS**

COMPANY PROFILE

Established in January 2012 as an Engineering Service provider aimed at providing Integrated and Complete One Stop Engineering Services and Solutions.

WWG Engineering is supported by a team of experienced Engineering and Manufacturing Personnel with more than 100 years of combined experience in Manufacturing, Mechanical, Material and Surface Science and Engineering.

OUR VISION

To be recognised by all its customers as world-class business.

OUR MISSION

To provide quality green solutions, go beyond meeting our client's expectations and goals, provide opportunity for all our employees to succeed, and grow our business profitably by abiding by ethical values.

1. Why WWG ???

We Are SURFACE ENGINEERING TECHNOLOGY SPECIALISTS
We Solve Your Equipment and Facilities Problems

You Focus on a SMOOTH, EFFICIENT PLANT OPERATIONS & PRODUCTION

We Responsible For:

- A New Life for Your Equipment via
- Repair, Rebuild, Refurbish
- Modify, Upgrade, Enhance Performance, Lifespan Extension
- Or Re-manufacture, Reverse Engineering

Thermal Spray

- Metal Spray (Wire & Electric Arc)
- Ceramics Spray
- HVOF Coating
- Plasma & Flame Spray
- COLD Spray
- Laser Technologies

Nickel/Hard Chrome Plating
Welding & Fabrication
Laser Cladding
Laser Cleaning
Workshop Machining
On-Site Machining
Engineering Repair Services

Refinery – Petrochemical - Power-generation - Marine & Offshore - Oil & Gas Production – Breweries - Food Manufacturing - Water Processing

A Perfect Integration of Engineering Solutions

PRODUCTION

- Coating Shop
- Fabrication
- Machine Shop
